

DM-Q66

ClearSound™ comfort Stereo digital Ear Buds

Superior sound entertainment.

Got the latest digital MP3 Player, iPod™ or mobile phone and need an affordable but quality and discrete stereo headphones with style?

Introducing the new **DM-Q66** Stereo Ear Buds from Dynamode. Featuring ClearSound™ audio technology for increased Bass, crisp mid tones and less ambient noise they are the perfect choice for all current and future general digital Music Players and multifunction mobile phones.

Featuring a stylish black design with polished chrome rear magnet couplers, the **DM-Q66** features generous 100cm black cordage to perfectly match your existing device. For even better sound reproduction we've even introduced a high-quality gold alloy on the 3.5mm Phono Jacks for improved connection.

Ideal for extended use with a discrete finish, the **DM-Q66** comes complete with stylish presentation case and fitting instructions.
