

HPLG200T

200Mbps AV PowerLine Twin Pack

The Fast Lane to your Internet HD Digital Lifestyle.

Are you struggling to run the latest Internet services such as Internet TV, HDTV, online Gaming or high-speed Internet over your current Wireless or PowerLine HomePlug setup?

Introducing the new **HPLG200T** 200Mbps PowerLine AV Twin-Pack, allowing Consumers to quickly and easily create a high-speed, up to 200Mbps Network by simply plugging in the adapters to any free electrical wall socket around the house or office- without the need for messy data cables or wires!

Quality of Service with Total Security.

PowerLine AV will prioritize Internet critical applications such as HDTV and VoIP applications – so they continue to work smoothly, without those annoying delays users have come accustomed too!

And if Security is on your agenda, you'll be pleased to know that we've integrated DES Encryption with our easy-to-use 'one button' Encryption, allowing safe and secure data transfer without the need to run any software!
